---

think it has a nice sleek look and easy to see... thanks... for... watching... some... other... house... cream... and... this... right... the door right inside the door and as easy to clean the control panel is on... contains you know come right out and light there on a normal wash and you can... all... have... for... you... to... I'm not going to touch anything and the... haven't used the China of crystal as on... oven but yours might be somewhere else... the... settings... so... say... top... rack... see that these lines come up to select... this... is... going... to... be... a... quick... review... of... 08609e2559
